

WELLNESS POLICY AND HEALTH SCREENING QUESTIONS

THANK YOU IN ADVANCE FOR HELPING US TO KEEP OUR ANASTASIA KIDS PROGRAM A HEALTHY PLACE!

WELLNESS POLICY >> We operate a well-child environment. For the protection of all the children in our ministry, we cannot accept a child with a runny nose, fresh cold (four days or less), fever, red or runny eyes, sore throat, undiagnosed rash, persistent cough, vomiting, diarrhea, illness being treated with antibiotics for less than 24 hours or any other signs of illness. We require that you not place your child in the program while they are at risk of exposing other children. If in doubt, please stay at home.

HEALTH SCREENING QUESTIONS >> Each week, the pre-registration form will include the following questions. If your child has a YES answer to any of them, we require that you refrain from bringing your child to Anastasia Kids or Anastasia Kids Jr. this week. Additionally, if something with your child's health changes during the week between the time you pre-registered and your arrival Sunday morning, we also ask that you not check your child in to Anastasia Kids or Anastasia Kids Jr. All children and volunteers will have their temperatures taken at check-in.

- Have you or anyone in your household had any of the following symptoms in the last 21 days: sore throat, cough, chills, body aches for unknown reasons, shortness of breath for unknown reasons, loss of smell, loss of taste, fever at or greater than 100.4 degrees Fahrenheit?
- Have you or anyone in your household tested positive for COVID-19 or been presumptively diagnosed based on symptoms?
- Do you have any reason to believe you or anyone in your household has been exposed to or acquired COVID-19?
- To the best of your knowledge have you been in close proximity in the last 14 days to any individual who tested positive for COVID-19?
- Have you or anyone in your household traveled to regions severely affected by COVID-19 in the past 21 days?
